

Gaze Mirror

“What I find interesting about the Gaze Mirror is its structure and reflective surfaces crafted from a single piece of material. This simplicity allows us to explore construction and angles in a pure form. It redefines space with surprising reflections and perspectives. Additionally, its versatile design can be mounted in two ways—portrait or landscape—adding depth to smaller spaces without complexity.”

— Phil Procter

Designed by	Phil Procter
About the Designer	Phil Procter, a British industrial designer based in Rotterdam, merges utility with aesthetics in his designs. Trained at Buckinghamshire University, he often employs stainless steel and sheet metal, exploring their potential in manufacture, form, and finish.
Environment	Indoor
Country of Production	Vietnam
Preassembled	Yes
Description	Made from two folded pieces of mirror-polished stainless steel, the Gaze Mirror is a sculptural and elegant wall-mounting structure. The angled surfaces catch light and surroundings in surprising ways, creating a dynamic visual as you move around the piece. Available in two sizes, Gaze adds a subtle yet impactful accent to any space.
Material	Mirror-finish stainless steel
Cleaning & Care	All surfaces can withstand regular disinfection with at least 70% ethanol according to the ECDC guidelines.

Gaze Mirror

Dimensions

30 x 25 cm / 11.8 x 9.8"

Height: 30 cm / 11.81"
Width: 25 cm / 9.84"

50 x 35 cm / 19.7 x 13.8"

Height: 50 cm / 19.69"
Width: 35 cm / 13.78"

Ready-to-Ship

Polished Steel
