

Moon Rollin'

Pipe Series

H: 107 W: 78 cm D: 54 cm

Description

Moon Rollin' is a functional stand that features soft, curved lines and a playful design language that is distinctive to the Pipe series.

These soft yet playful curves add a significant contrast to the sturdy steel construction, which ensures the stability and durability of the stand.

Material

Powder coated As S235 3mm steel sheet with matte finish.
