

# Moon PRO

## Proline

H: 158 cm W: 102 cm D: 66 cm

### Description

Moon PRO turns your meeting room, exhibition booth or showroom into a dynamic setting. You can change the position of the TV, moving it around with you for optimal accessibility and visibility.

The stand's mobility also means that you can hold your meetings away from your usual surroundings.

### Material

Powder coated As S235 steel tube and steel sheet with smooth finish.
