

NICEONE UP ROUND 7 raw

CNO00-8

€ 367,23 excl.

The **NICEONE** pendant luminaire is a minimalistic luminaire finished in copper and polished or matte black aluminum. An integrated optical lens optimally declares the brilliant light. Thanks to its reserved design, **NICEONE** is versatile - as a single pendant over a small table, in rows over longer tables or in a group constellation as the **NICEONE RAIN**.

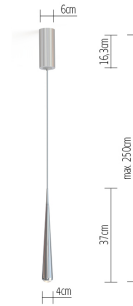

The CHOICE configurator allows an individual configuration of the luminaire.
Design: Tobias Grau

TECHNICAL SPECIFICATIONS

Lamp holder	LED
Mounting method	ceiling-mounted (surface)
Light emission	direct
Light distribution	symmetric
The luminaire's luminous flux	730 lm
Colour temperature	2700 K
Colour rendering index (CRI)	>90
Rated voltage (range)	220-240 V
Power frequency	50/60 Hz
Power consumption (maximum)	11 W
Housing material	Aluminium
Type of lamp control gear	Driver
Ballast included	Yes
Protection class	I
Connection cable (number of cores)	3
Number of lampheads	1
Energy efficiency	A - A++
Dimmable	Yes
Type of Dimmer	phase control rotary dimmer
Height	310 mm
Diameter	40 mm
Head adjustable	No
Height adjustable	No
Suspension length	-/3000 mm
Custom length	Yes
