

**NICEONE RAIN** TRIO 30 copper/maroon/white

CNO03-7

The **NICEONE** pendant luminaire is a minimalistic luminaire finished in copper and polished or matte black aluminum. An integrated optical lens optimally degrades the brilliant light. Thanks to its reserved design, **NICEONE** is versatile - as a single pendant over a small table, in rows over longer tables or in a group constellation as the **NICEONE RAIN**.

The CHOICE configurator allows an individual configuration of the luminaire.  
Design: Tobias Grau

**TECHNICAL SPECIFICATIONS**

Mounting method	ceiling-mounted (surface)
Light emission	direct
Light distribution	symmetric
luminaire luminous flux	3 x 620 lm
Colour temperature	2700 K
Colour rendering index (CRI)	> 90
	warm white
Rated voltage (range)	220-240 V / 120 V
Power frequency	50/60 Hz
Power consumption (maximum)	3x 11 W
Surface	copper
Housing material	aluminium
Type of lamp control gear	Driver
Ballast included	Yes
Protection class	I
Connection cable (number of cores)	3
Number of lampheads	3
Energy efficiency	A - A++
Dimmable	Yes
Type of Dimmer	phase control rotary dimmer
Diameter	300 mm
Height adjustable	No
Suspension length	-/2500 mm
Custom length	Yes
	powder-coated
	aluminium
