

# Sway

## Pipe Series

H: 100 W: 78 cm D: 47 cm

### Description

Sway features rounded, curved lines that shape its distinct and playful design and makes the TV stand a sculptural element in any room.

Made of powder coated steel, Sway is durable and steady, yet light enough to easily be moved from one room to another.

### Material

Powder coated As S235 3mm steel sheet with matte finish.
