CLAVA UP WOOD

Designed by Søren Ravn Christensen

SPRUCE UP THE WALLS WITH RAYS OF LIGHT

UMAGE is extending the sculptural Clava™ collection with a new variant for the wall, called Clava Up™ wood. The recognizable shape made from laser-cut wood lamellae is designed to illuminate home with a playful flash of light on the walls in the surrounding space.

Clava Up™ wood is available in oak, dark oak and black oak in two different sizes.

The wall lamp will become the perfect add-on to a beautiful gallery wall or hanging side by side in a long hallway.
